Genuine Leather Credit Card Holder W/ Thumbhole RFID Wallet With Gift Box

Walmart #: 7

Item Description :

This slim wallet for men is handmade out genuine full grain leather that is extremely soft and durable. The craftsmanship that was put into making this wallet can give you the courage that it will last for years. It's minimalistic design and smooth texture makes it the perfect wallet to use every single day. This Card Holder is only 1/8 of an inch thick, and measures 4.3 inches long and 2.75 inches wide. We designed this wallet to be small and compact, built for exactly what you need. It contains 4 credit card slots, 1 ID Window, and 1 Cash compartment. You can also use the cash compartment as an extra area to add more cards. Knowing most people mainly use one card for the majority of their purchases, we added a thumb hole to the first card slot, making it extremely accessible and convenient to pull out your favorite card! Additionally, we added a thumb hole on the ID Window, making ones life so much simpler when taking their ID in and out of their wallet. This wallet was designed to make using your wallet so much easier, giving you effortless access to all your cards, and never having to struggle to remove your cards or ID. Our Minimalist Wallet is beautifully packaged in a neat gift box, paper wrapped on the inside, making it a no brainer for a gift. You can gift this wallet for all events such as Birthdays, Christmas, Valentine's Day, Mother's Day, Father's Day, Business Gifts, Corporate Gifts, Groomsmen, Brides, and all other special occasions. Treat your loved ones with a high quality leather RFID wallet, so they can be reminded of you every time they use their wallet.
